

MILLGROVE HAPPENINGS

**October 2025 - Volume 1 /
Issue 10**

SEARCHING FOR MILLGROVE'S HISTORY!

MRAG has uncovered some great stories, old newspaper articles and a few photos from its illustrious past. Such as; Millgrove being the place for the Warburton Primary school between approx. 1888 and 1903, the site of the first Upper Yarra Valley Shire office and how the township was named.

We are searching for further everyday stories and happenings from the past.

We are putting out an URGENT request to everyone to look in your old photo albums, postcard collections, memorabilia piles for anything related to Millgrove. We are only too happy to make a copy and return it the same day.

If you have a story to tell about how Millgrove was in the past, we would also like to hear from you and perhaps record your story.

In particular we would like:

- Photos of the town and buildings since its beginning
- Postcards showing Millgrove, the train service, buildings, etc
- Newspaper articles, newsletters from old school, sporting & resident groups and event posters, etc.
- Stories that show how Millgrove developed and the people that were important in its development.

Millgrove Open Day Success- 12 Oct

The rain held off to allow visitors to enjoy a great day of entertainment, learn about the important community services available, obtain free show bags and learn more about getting fire ready.

The day couldn't be a success without the CFA, SES & Red Cross support.

It is essential that every household has a fire plan and takes responsibility to be fire ready.

Please note the Fire Refuge and the Soccer Oval are places of last resort only.

We thank the Bendigo Bank Warburton and Yarra Junction for their support.

- 15 November and 30th November, millgrove markets
- Further River reserve working bees, please watch MRAG facebook for further updates
- 26th November, MRAG general Meeting 7:15 pm
- Planning with Disaster Resilience Australia (DRA) to engage volunteer support to reduce fuel load along the first section of the Ronald Grove River Reserve, dates 5th & 6th December, see below

To help keep your community and your popular swimming hole safe we would appreciate your help. This project is planned for the 5th and 6th of December. Please call Maureen on 0436341603 if you could give us a few hours. We have an amazing community and every year it's improving by people pulling together and really giving us all "A Place we are proud to call home". Thanks for taking the time to read our newsletter

To develop the 46 projects covered by the community plan, we are seeking engaged residents to lead the way. If you have a favorite project that you would like to see implemented, why not volunteer to be on the team that GETS THE JOB DONE ➡
