Our Future Vision

SUCCESSFUL GRANTS FROM AUSNET - \$22k & \$277k

Thanks to the amazing support from AusNet, MRAG will be able to progress its plans for a Community Resilience Emergency Hub.

The AusNet Energy Resilience Grants are for assets that help build and strengthen a community’s ability to respond to and recover from power outages caused by severe weather events and ongoing reliability issues. The smaller grant will provide energy education and literacy training, the larger grant will fund a rooftop solar system and battery for the Millwarra Community Building.
